About Me

I am a B.Tech Computer Science Engineering student at GLA University. I am interested in software development, frontend development and machine learning.

I am a quick learner and enjoy solving programming problems. My goal is to become a skilled full stack developer and build useful technology-based applications.

Skills

- HTML
- CSS
- Java
- Python
- C
- JavaScript Basics
- Git & GitHub
- Machine Learning Basics

Education

Qualification	Institute	Year	Result
B.Tech (CSE)	GLA University	2025 - Present	6.96 CPI
12th (PCM)	School	2025	69%
10th	School	2023	84%
